A Pocket Guide To:
THE HANDKERCHIEF CODE

This is my friend, Tony.
I like to play with Tony.

Tony likes motorbikes, weight training, sex with other men.

Tony is the strong, silent type. He uses a special code to let other men know what he wants.

Looking for a straight up mate.

I want to be your straight up mate.

Looking for a good soaking.

I want to give you a good soaking.

Looking for someone to eat all up.

I want you to eat me all up.

Looking for something really filthy.

I want to make you really filthy.

Looking for a bunch of fives.

I want to give you a bunch of fives.

Looking for my master.

I want you to be my slave.

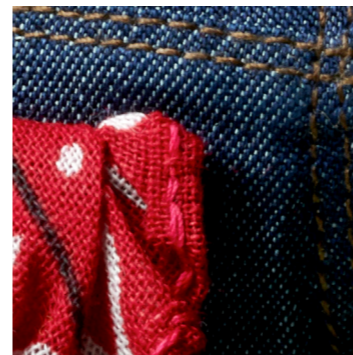

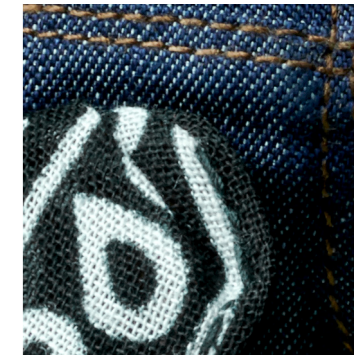

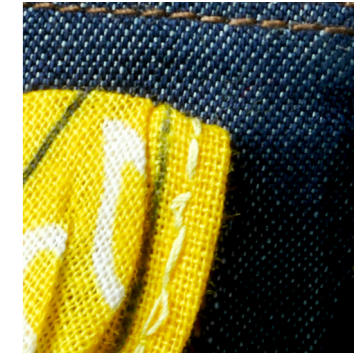

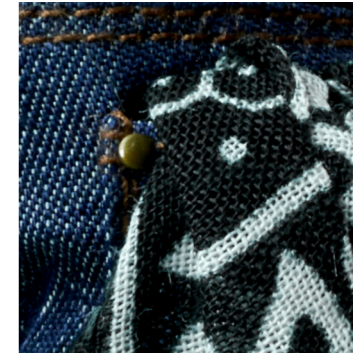

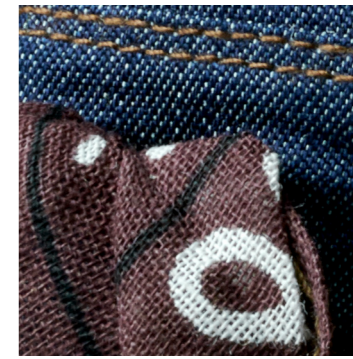

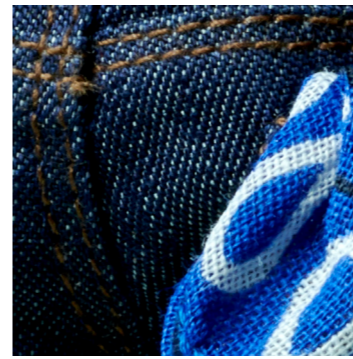

Not looking right now.

Up for anything.

Have fun Tony.
